

ettain group wins TechServe Excellence Award

CHARLOTTE, N.C. – November 14, 2015 – [ettain group](#), a leading talent solutions company specializing in recruitment and managed services in IT, healthcare IT and digital creative, announced today it has received the [TechServe Alliance Excellence Award](#). The award recognizes quality IT and engineering staffing and solutions firms that have demonstrated outstanding performance, team productivity and dedication to continuous improvement. Honored for the first time, ettain group was recognized among companies in the large enterprise category.

“We are honored for this recognition of our commitment to excellence in this industry,” said Jeff Harris, founder and CEO of ettain group. “Our strong culture and unique approach to helping clients compete for and win in-demand talent characterizes our passion for high performance, productivity and continuous improvement. This award further validates the values we subscribe to individually and as an organization – attitude, performance, accountability, respect and teamwork. I could not be more proud of the entire ettain group organization.”

[TechServe Alliance](#), the national trade association of the IT and engineering staffing and solutions industry, formally recognized ettain group at its Annual Conference in November.
