

Talent Solutions Company ettain group Celebrates 20th Anniversary with 15 Percent Growth, Refreshed Brand and New Website

CHARLOTTE, N.C. – April 18, 2016 – ettain group, the leading talent solutions company dedicated to matching the right people to technology solution opportunities in IT, healthcare IT and digital creative, is celebrating 20 years of success with a refreshed brand, new website, and unprecedented growth. From faxing resumes in a rental home office to becoming the 32nd largest staffing firm in the country, ettain group has grown exponentially to include more than 1,300 employees and contractors, and revenue growth of 15 percent over the past three years.

The company's most recent successes include the November 2015 acquisition of Timberhorn IT Solutions, a well-known IT staffing company in the Dallas-Fort Worth Metroplex. The acquisition supports several existing national customers and positions ettain group to take advantage of the region's strong business opportunities. Further expanding its geographic footprint, ettain group now includes active contractors in 30 states, and offices in Charlotte, Atlanta, Dallas, Frisco, Nashville, Raleigh-Durham, Washington D.C. and Winston-Salem. Strategic client support is now also offered in Minneapolis, California and Arizona.

In addition to its rapid growth, ettain group is launching a revitalized company brand and new website designed to better convey the passion, flexibility and certainty ettain group offers clients and candidates, while providing site users with an improved, seamless user experience.

"We are proud of how far we've come over the past 20 years and can't wait to see where our passionate team and dedication to providing the best match for talent will take us in the coming years," said Jeff Harris, chief executive officer of ettain group. "As we continue to evolve, ettain group maintains the utmost focus on giving our clients unparalleled service and a market edge by connecting them with the best talent solutions."

Looking ahead to the next 12 months, ettain group's team will focus on growing its managed services offering to fulfill its clients' resource demands while providing flexible management and oversight on specific programs or projects. This includes offering leadership and expertise in areas like application development, digital and creative services, agile project management, and infrastructure services.
